The Norwalk Health Department would like to announce the fifth annual Restaurant Ratings Lighthouse Awards. The program was established by the Norwalk Board of Health to recognize city food establishments for maintaining the highest rating for the four most recent inspections. One hundred sixty six (166) class three and four food establishments qualify for this distinction for 2012. Each is receiving a certificate for display in their establishment.

In order to qualify:

The people working in these establishments have exhibited safe food handling practices

A qualified food operator was always on site.

A score of 90 or higher without critical violations was obtained for each inspection
