How should the following be declared?

June 2016, you bought a desk for \$300 and a chair for \$80. In October 2017 you buy a display rack for \$400. You have a filing cabinet you bought 10 years ago for \$100 that is being used in your business. A friend gave you a used bookcase, in February 2018, which you believe, is worth \$50.

See the table to the right for the answer.
