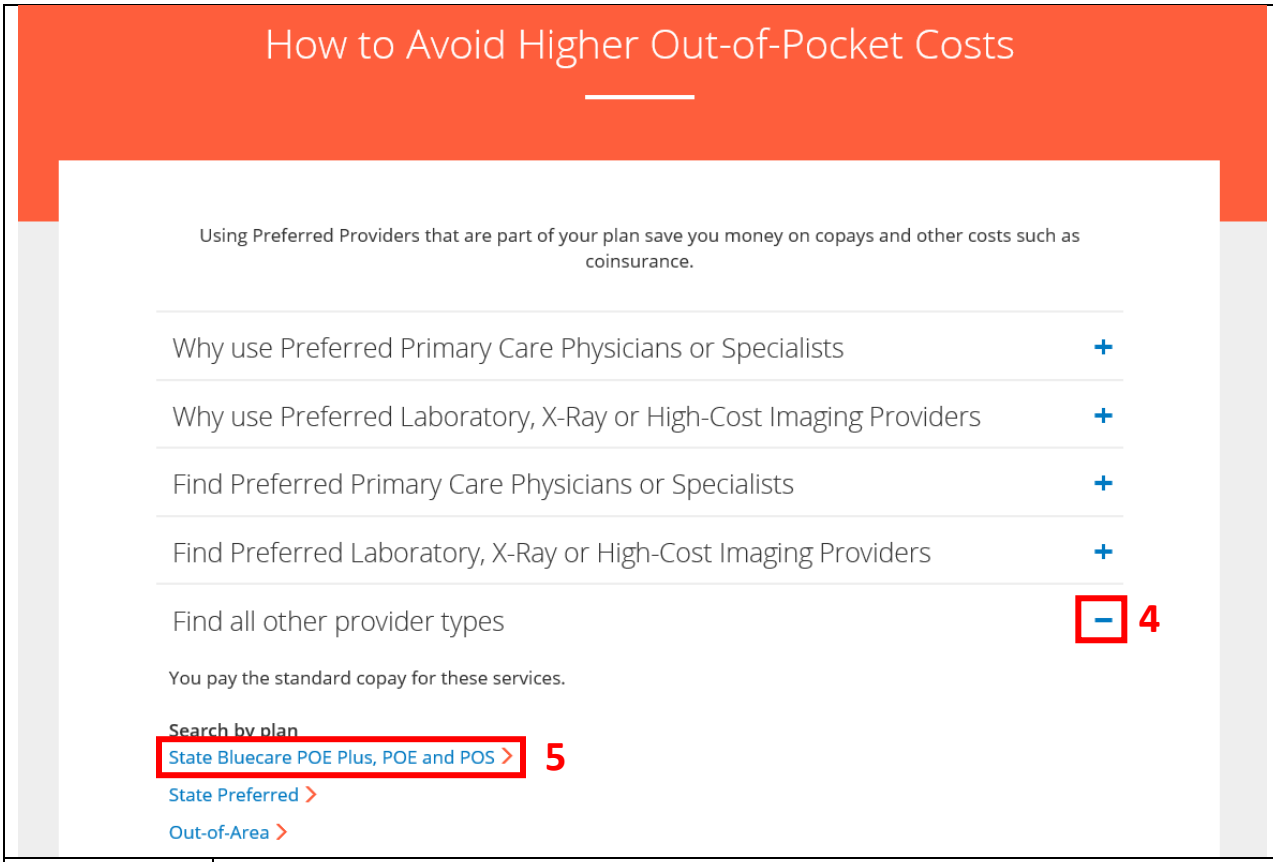
Anthem Provider Lookup	
Steps	Instructions
1.	Go to https://www.anthem.com/statect/
2.	Click on Menu
	3.	Select Find Care
	4.	Under 'How to Avoid Higher Out-of-Pocket Costs', click the + button for 'Find all other provider types'
5.	Search by plan and click 'State Bluecare POE Plus, POE and POS' ****Please note, the network for the State Partnership Plan is 'State Bluecare POS'****



6.	Another tab will open and you can search for your provider by name or location:
6a.	Search by zip code: • You would enter the zip code you wish to locate your current doctor, or find a new one, and you can narrow or expand the search by clicking on "distance" under the search options • Or you can select the Type of provider under the search options that you wish to locate and hit search
6b.	Search by provider name: • Enter provider's zip code • Then in the box that says "Search for care by specialty, name, NPI or license number"...Enter your providers last name ***first***
6c.	Search by providers specialty: • Enter provider's zip code • Then in the box that says "Search for care by specialty, name, NPI or license number"...Enter the provider specialty (ex. PCP or dermatology, and more…) that you wish to find a participating specialist
