10 WILLLARD, LLC
DRAFT AFFORDABILITY PLAN
MARCH 4, 2020

10 Willard, LLC (“the Applicant”) submits this Workforce Housing Affordability Plan in conjunction with its application to the City of Norwalk Zoning Commission for approval for the development of 10 Willard Road in Norwalk, Connecticut, in accordance with the Building Zone Regulations of the City of Norwalk (“Zoning Regulations”).

This plan describes how affordability will be determined, administered and maintained pursuant to § 118-1050 of the Zoning Regulations.

Definitions.

“Statewide Median Income (“SMI”). The annual income for the State of Connecticut determined using the statistics published and periodically revised by the U.S. Department of Housing and Urban Development (HUD).

“Workforce Household.” A household with an annual income which does not exceed eighty percent (80%) or, where required, sixty percent (60%) or one hundred percent (100%) of the State of Connecticut median income, as adjusted for family size, as published by the United States Census Bureau and periodically updated by HUD. Household eligibility determinations shall be made in accordance with the income criteria in §8-30g-8 of the regulations of Connecticut State Agencies.

“Workforce Housing Unit.” A dwelling unit occupied by a workforce household where the maximum sales price or rent shall be restricted in perpetuity for the life of the unit in accordance with the maximum housing payment calculations as described in §8-30g-8.

Project Description.

The Applicant proposes to construct a new, four-story apartment building containing 219 units (158 one-bedroom units and 61 two-bedroom units) and a new four-story self-storage facility with parking as well as associated site improvements on property located at 10 Willard Road in Norwalk.

The Applicant proposes to designate a total of ten percent (10%) of the rental units (22 in total) as Workforce Housing Units which meet the criteria under the Zoning Regulations for households whose annual income does not exceed eighty (80%) percent of the SMI in accordance with §118-1050 “Workforce Housing Regulation” of the City of Norwalk Building Zone Regulations. Specifically, the Applicant proposes to designate 16 one-bedroom units and 6
two-bedroom units as Workforce Housing Units. All 22 workforce housing units will be located on site and dispersed throughout the building.

The Applicant has designated the specific units that will be Workforce Housing Units on Appendix A. Designation of particular units may change over time, and updated schedules will be provided to the Commission should that occur. Those units so designated shall be subject to the terms set out in this Plan and in §118-1050 of the Zoning Regulations.

**Unit Standards.**

The Workforce Housing Units shall be comparable in size, fit and finish to market-rate units and will be consistent with construction standards for new housing. The bedroom mix will be provided in comparable percentages to those in the market rate units.

**Duration of Restrictions.**

The Workforce Housing Units shall be so designated in perpetuity, beginning upon the issuance of a certificate of occupancy for the rental units for the Property and continuing for the life of each unit in accordance with the maximum housing payment calculation set out in § 8-30g-8 of the regulations of the Connecticut State Agencies. A deed restriction in substantially the form set forth in Appendix D attached or in such other form acceptable to the Commission, shall be recorded on the Norwalk Land Records, contemporaneously with the issuance of the certificate of occupancy or at the same time of the unit’s designation as set forth above, whichever is earlier, to ensure affordability. The deed restriction will outline the rental restrictions, including the maximum rental price unit, the affirmative marketing procedures, residency requirements, reporting requirements, as well as remedies for breach.

**Pro Rata Construction.**

The Workforce Housing Units shall be completed on a pro rata basis as construction proceeds. It is the intent of this Plan that at least one (1) Workforce Housing Unit will be completed and offered for rental within the time that ten (10) market rate units are completed and offered for rental.

**Affirmative Fair Marketing.**

The Applicant will market the Workforce Housing Units and will maintain a list of income/credit-qualified persons in accordance with § C. (3)-(9) of § 118-1050 of the Zoning Regulations. The Applicant will undertake all of the activities related to verifying the income/credit eligibility of the applicants, in accordance with § C (3)-(9) of § 118-1050 of the Zoning Regulations. The Applicant will perform income/credit verifications and coordinate the applicant pool. An affirmative Marketing Plan is set forth below outlining selection systems and marketing strategy.
Affordability Calculation.

The rental price of the Workforce Housing Units will be calculated based upon 80% of the SMI in accordance with the State of Connecticut’s Affordable Housing Appeals Procedures as defined in Section 8-30g of the Connecticut General Statutes. The maximum rental amounts will be adjusted annually in accordance with changes in the SMI and in accordance with the Connecticut Department of Economic and Community Development’s Affordable Housing Appeals Procedure.

Administration and Compliance.

This plan will be administered by the Applicant or other, or its successors and assigns (“Administrator”), who will be responsible for:

- Ensuring that households applying for Workforce Housing Units qualify within applicable maximum income limits;
- Assuring the accuracy of rental prices, and providing documentation where necessary to buyers, sellers and financing institutions;
- Reporting compliance to the municipality; and
- Executing the affirmative fair housing marketing plan

The Administrator shall submit a written status report to the Commission regarding compliance with this Plan and the above-referenced factors annually on or before January 31. The role of the Administrator may be transferred or assigned to another entity. In the event of any such transfer or assignment, the Applicant will provide forty-five (45) days prior written notice to the Commission. The Commission shall be given a reasonable opportunity to object but will not do so unreasonably.

Affirmative Fair Housing Marketing Plan and Notice of Initial Sale of Workforce Housing Units.

The availability of Workforce Housing Units shall be publicized, using the provisions of Regulations of Connecticut State Agencies § 8-37-ee-1 et seq. (particularly §§ 8-37-ee-301 and 302) for affirmative fair housing marketing programs as guidelines. The Administrator shall have the responsibility for compliance with this section. Notices of initial availability of the Workforce Housing Units shall be provided, at a minimum, by advertising at least two times in a newspaper of general circulation in the City of Norwalk. The Administrator shall also provide such notices to the Commission, the Norwalk Town Clerk, City of Norwalk, and the Norwalk Board of Education. Such notices shall include a description of the available Workforce Housing Units, the eligibility criteria for potential tenants and owners, the Maximum Rental Price (as hereinafter defined), and the availability of application forms and additional information.

Using the above-referenced State regulations as guidelines, dissemination of information about available Workforce Housing Units shall include, at a minimum:
• Analyzing census and other data to identify racial and ethnic groups least represented in the population;
• Announcements/advertisements in publications and other media that will reach minority populations;
• Announcements to social service agencies and other community contacts serving low-income minority families in the region (including churches, civil rights organizations, housing authorities, and legal services organizations);
• Assistance to minority applicants in processing applications;
• Marketing efforts in geographic areas of high minority concentrations within the housing market area;
• Beginning marketing efforts prior to general marketing of units, and repeating during initial marketing, at 50% completion, and thereafter at reasonable intervals; and
• Collection of basic racial and ethnic information for all residents and persons on the wait list for the development.

All notices shall comply with the federal Fair Housing Act, 42 U.S.C. §§ 3601 et seq. And Connecticut General Statutes §§ 46a-64b and 64c.

**Tenant Eligibility.**

Eligibility of families or households to rent Workforce Housing Units shall be determined by the Administrator in accordance with this Plan and the Regulations, as amended.

**Application Process.**

A family or household seeking to rent a Workforce Housing Unit ("Applicant") must complete an application to determine eligibility. The application form and process shall comply with the Fair Housing Act.

A. Application Form.

The application form shall be provided by the Administrator and shall include an income certification form. In general, income for purposes of determining an Applicant’s qualification shall include the Applicant family’s total anticipated income from all sources for the twelve (12) month period following the date the application is submitted ("Application Date"). If the Applicant’s financial disclosure indicates that the Applicant may experience a significant change in the Applicant’s future income during the twelve (12) month period, the Administrator shall not consider this change unless there is a reasonable assurance that the change will in fact occur. In determining what is and is not to be included
in the definition of family annual income, the Administrator shall use the criteria set forth by HUD and listed in Appendix B, attached hereto.¹

B. Applicant Interview

The administrator shall interview an Applicant upon submission of the completed application. Specifically, the Administrator shall, during the interview, undertake the following:

1. Review with the Applicant all the information provided on the application.

2. Explain to the applicant the requirements of eligibility, verification procedures, and the penalties for supplying false information.

3. Verify that all sources of family income and family assets have been listed in the application. Make clear that the term “family” includes all individuals who are to occupy the home, and that no relationship by blood or marriage is required.

4. Request the Applicant to sign the necessary release forms to be used in verifying income. Inform the Applicant of what verification and documentation must be provided before the application is deemed complete.

5. Inform the Applicant that a decision as to eligibility cannot be made until all items on the application have been verified.

C. Verification

Where it is evident from the income certification form provided by the Applicant that the Applicant is not eligible, additional verification procedures shall not be necessary. However, if the Applicant appears to be eligible, the Administrator shall require verification of the Applicant’s reported income. In accordance with § 118-1050(C)(4), the annual income of workforce households shall be reviewed and certified by the Commission or its designee, in accordance with the procedure established in advance and approved by the Commission.

If applicable, the Applicant shall provide to the Administrator the documentation listed in Appendix C attached hereto. This list is not exclusive, and the Administrator may require any other verification or documentation as the Administrator deems necessary.

¹ See 24 C.F.R. § 5.609. Federal Regulations are subject to change, and it is the intent of this Plan to use as guidelines HUD regulations with respect to income certification, as such regulations may be amended from time to time.
Prioritization of Applicants for Initial Rental.

If, after publication of the Notice of Initial Rental, the number of qualified Applicants exceeds the number of Workforce Housing Units, the Administrator shall establish priority categories of applicants, subject to the Applicant’s income pre-certification eligibility and the preferences as established below.

A separate priority list shall be maintained for the rental units. Each priority list shall be divided based upon the following priority categories: (1) Displaced residents; (2) Employees of the City of Norwalk and the Norwalk Board of Education; (3) Residents of the City of Norwalk who have resided in the City of Norwalk a minimum of one (1) year prior to the issuance of a certificate of occupancy; (4) Persons employed in the City of Norwalk; and (5) all others. In the event that there are insufficient units available to satisfy the number of applicants in a particular priority category, the units shall be assigned by a lottery system approved in advance by the Commission. As specified in § 118-1050(C)(6), all qualified applicants in a given category of priority shall be exhausted prior to proceeding to a lower category of priority.

These preference categories are set forth in the Zoning Regulations but are subject to revision as may be required by the Federal Office of Fair Housing and Equal Opportunity. These preference categories shall apply to the initial rental, but not to subsequent rental, of the Workforce Housing Units.

Maximum Monthly Rental Payment.

Calculation of the Maximum Monthly Rental Payment shall be based upon the SMI. The Maximum Monthly Rental Payment shall be calculated using the following methodology, consistent with Zoning Regulation § 188-1050(C)(2) and Connecticut Agencies Regulations § 8-30g-8.

Calculation steps for rental of units at maximum of 80 percent of SMI.

1. Determine the SMI.

2. Adjust median income identified in Step 1 by family size by assuming that 1.5 persons will occupy each bedroom of a Workforce Housing Unit, except in the case of a studio or zero-bedroom unit, in which case 1.0 person shall be assumed. Family size adjustment shall be made with reference to the following percentages:

- 1 Person in family: 70%
- 2 Persons in family: 80%
- 3 Persons in family: 90%
- 4 Persons in family: 100% (BASE)
• 5 Persons in family: 108%
• 6 Persons in family: 116%
• 7 Persons in family: 124%
• 8 Persons in family: 132%

The family size adjustment that involves a half person (such as 4.5 persons) shall be calculated by taking the midpoint between the relevant figures above and below the half. For example, the adjustment for a 4.5-person household is 104 percent (104%).

3. Calculate eighty percent (80%) of Step 2.

4. Calculate thirty percent (30%) of Step 3, representing that portion of household income deemed to be used for housing costs.

5. Divide Step 4 by twelve (12) months to determine the maximum monthly housing payment.

6. Determine the fair market rent for a unit with the same number of bedrooms in the subject municipality as published by HUD.

7. The maximum monthly housing payment for occupants of the subject rental unit shall be the lesser of the calculations on Steps 5 and 6.

8. Determine by reasonable estimate monthly expenses for heat and utility costs for which the tenant is directly responsible, excluding television, telecommunications, and information technology services, but including any other periodic fees for which the tenant is directly responsible, such as common charges in the case of a common interest ownership community.

9. Deduct the estimate of tenant-paid utilities and fees determined in Step 8 from the maximum monthly housing payment in Step 7, which will result in the maximum amount that the developer/owner may charge for this rental unit as the monthly contract rent.

**Principal Residence.**

Workforce Housing Units shall be occupied only by the selected Workforce Household. Subleasing shall be prohibited.
**Requirement to Maintain Condition.**

All owners and tenants of the Workforce Housing Units are required to maintain their unit. The owners and tenants shall not destroy, damage or impair the unit, allow the unit to deteriorate, or commit waste on the unit. When the Workforce Housing Unit is offered again for rental, the Administrator shall cause the unit to be inspected.

**Standard Lease Provision.**

Each lease for a Workforce Housing Unit will contain substantially the following provision:

“This apartment is being rented as a ‘workforce housing unit’ as defined in Norwalk Code Section 118-1050. This development has been approved by the Zoning Commission of the City of Norwalk based in part on the condition that a defined percentage of units will be rented as workforce housing units. The Property Manager is required by law to strictly enforce the Norwalk Zoning Regulation set out in Chapter 118, Section 118-1050 concerning workforce housing.”

**Change in Income or Qualifying Status.**

In the event that a Workforce Household’s income changes so as to exceed the qualifying maximum, or if the Workforce Household otherwise becomes disqualified, such tenant must provide notice to the Administrator within seven (7) days of the disqualification. Upon being disqualified, such tenant, following the procedures set forth below, shall have the option to vacate the unit within ninety (90) days, or to remain in the unit paying a market rate rent. Within fifteen (15) days of receiving notice of the Workforce Household’s disqualification, the Administrator shall provide written notice to the tenant of the market rate rent for the unit. The tenant shall notify the Administrator within fifteen (15) days of receipt of such notice whether the tenant will accept the market rate rent or vacate. If the tenant elects to remain in the unit at the market rate, the Administrator shall offer the next available unit of the equivalent number of bedrooms as a Workforce Housing Unit, if necessary, in order for the development to comply with the minimum set aside for Workforce Housing Units. These procedures must be followed in order to ensure that the Project shall not be out of compliance with the ten percent (10%) minimum designated units.

**Enforcement.**

A violation of this Affordability Plan shall not result in a forfeiture of title, but the Norwalk Zoning Commission, or its designated agent, shall otherwise retain all enforcement powers granted by the General Statutes, including Section 8-12, which powers include, but are not limited to, the authority, at any reasonable time, to inspect the property and to examine the books and records of the Administrator to determine compliance of Workforce Housing Units with the Regulations.
**Binding Effect.**

This Plan shall be binding on the Applicant’s successors, heirs and assigns.
