Mayor Rilling Provides Local Update on Coronavirus

(Norwalk, Conn.) - City officials are working closely with partners at the state and federal levels, as well as partners in Norwalk, to monitor and respond to COVID-19, the 2019 novel Coronavirus. Statewide updates can be found online at ct.gov/coronavirus. Mayor Rilling provided the following Norwalk-area specific updates regarding COVID-19 coronavirus as of 5:00 p.m. on Monday, June 22, 2020:

- Since yesterday, there are two new positive cases in Norwalk, bringing the total positive reported cases to 2,067. There were no new deaths reported.
- Today, the [City of Norwalk](https://www.cityofnorwalk.com), and community partners Cornerstone Community Church, Fairfield County's Communication Foundation, and Alliance for Community Empowerment distributed 1,000 food boxes to Norwalk residents. In total, approximately 30,000 pounds of food was given to families.
- The City has received an increased number of complaints about fireworks during the COVID-19 crisis. The public is reminded that fireworks are not permitted in Norwalk and those found discharging fireworks will be ticketed. Residents can report these incidents to the Norwalk Police Department non-emergency line at 203-854-3000.
- The 8-week schedule of free virtual programming set to begin on July 6 is now available online. Families can see what programs, the times, age and grade range, and more. For example, there are programming for grades 5-8, ages 62 and older, grades 7-12, ages 2-5, and everywhere in between. View the schedule at norwalkct.org/recreationandparks.
- The public is reminded that the Phase Two reopening plan for the City of Norwalk can be found at norwalkct.org/reopennorwalk. The plan covers municipal facilities and services. Businesses are advised to follow the State of Connecticut guidelines.

"I continue to be pleased with the progress we are making in Norwalk as more businesses open and more amenities are available. Our case numbers are slowing, which is certainly welcomed news from where we were just a few short months ago," Mayor Rilling said. "When I am out at a store, or restaurant, I am encouraged to see most people following the guidelines. With everyone doing their part, we can continue to move forward and continue to reopen our City. Keep up the great work, Norwalk."

Members of the public are encouraged to sign-up for the City's CodeRED Emergency Alert Notification System at norwalkct.org/codered. Updates on City services, hours, and community resources will be routinely published at norwalkct.org/citynews. The latest health updates can be found at norwalkct.org/coronavirus.

###
