**Mayor Rilling Provides Local Update on Coronavirus**

**(NORWALK, Conn.)** - City officials are working closely with partners at the state and federal levels, as well as partners in Norwalk, to monitor and respond to COVID-19, the 2019 novel Coronavirus. Statewide updates can be found online at [www.ct.gov/coronavirus](http://www.ct.gov/coronavirus). Mayor Rilling provided the following Norwalk-area specific updates regarding COVID-19 coronavirus as of 1 p.m. on Tuesday, July 7, 2020:

- Since yesterday, there are 3 new positive cases in Norwalk, bringing the total positive reported cases to 2,087. There were no new deaths reported.
- A travel advisory is currently in effect for anyone traveling into Connecticut from a state that has a daily positive test rate higher than 10 per 100,000 residents or a 10% or higher positivity rate on a 7-day rolling average. Today, Governor Lamont added three additional states (Delaware, Kansas, and Oklahoma) to the travel advisory. If you travel to Connecticut from the following states, you need to self-quarantine for 14 days when you arrive: AL, AR, AZ, CA, DE, FL, GA, IA, ID, KS, LA, MS, NC, NV, OK, SC, TN, TX, UT. Visit the [CT travel advisory page](#) for more information.
- Sidewalk Service at the Main and SoNo Branches of the Norwalk Public Library begins today! Patrons can make a reservation online, receive notification when items are ready, and then head to the library for a safe and easy pick up. Sidewalk Service will be available Monday - Friday, 10 a.m. - 4 p.m. More information available at <http://norwalkpl.org>.
- Farmers markets are now operating in Norwalk and around the state, with enhanced safety measures to allow Norwalkers to enjoy fresh, Connecticut-grown fruits and vegetables through the summer. Some markets, including the Norwalk Community Health Center market (120 Connecticut Avenue) which launches tomorrow, take multiple payment options including SNAP and WIC and offer double value coupons for eligible customers. “I am proud of the great progress we’re making in Norwalk and all of Connecticut to combat COVID-19, but I am also keeping a close eye on trends around the country,” Mayor Rilling said. “As other states see infection rates rise, we expect visitors and returning residents to follow the state’s travel advisory. If you enter Connecticut from one of the affected states, you must self-quarantine for 14 days when you arrive.”

Members of the public are encouraged to sign-up for the City’s CodeRED Emergency Alert Notification System at [norwalkct.org/codered](http://norwalkct.org/codered). Updates on City services, hours, and community resources will be routinely published at [norwalkct.org/citynews](http://norwalkct.org/citynews).
