**Mayor Rilling Provides Local Update on Coronavirus**

(NORWALK, Conn.) - City officials are working closely with partners at the state and federal levels, as well as partners in Norwalk, to monitor and respond to COVID-19, the 2019 novel Coronavirus. Statewide updates can be found online at [www.ct.gov/coronavirus](http://www.ct.gov/coronavirus). Mayor Rilling provided the following Norwalk-area specific updates regarding COVID-19 coronavirus as of 2 p.m. on Sunday, August 9, 2020:

- Since yesterday, there are no new positive cases in Norwalk, and the total positive reported cases remains at 2,133. There were no new deaths reported.
- As the City continues cleanup and recovery activities from Tropical Storm Isaias, residents can contact Norwalk Customer Service (203-854-3200 or [customerservice@norwalkct.org](mailto:customerservice@norwalkct.org)) to ask questions and initiate service requests to city departments. Storm updates will continue to be posted this week on the Office of Emergency Management [website](#).
- This week, the Yard Waste Site will be open Monday - Friday from 7:30 AM - 3:00 PM and Saturday, August 15th from 7:30 AM - 2:00 PM. A City disposal pass is required. Due to COVID-19, masks/face coverings must be worn. The City is planning a special yard waste pickup, and more information will be released shortly.
- Approximately 2,900 customers remain without power in Norwalk. For updates on power restoration, please check the [Eversource website](#).
- The Office of Emergency Management is reminding residents who lost food as result of the storm and power outage to check their homeowner or renters insurance policies. Many will cover lost food as a result of power outages.

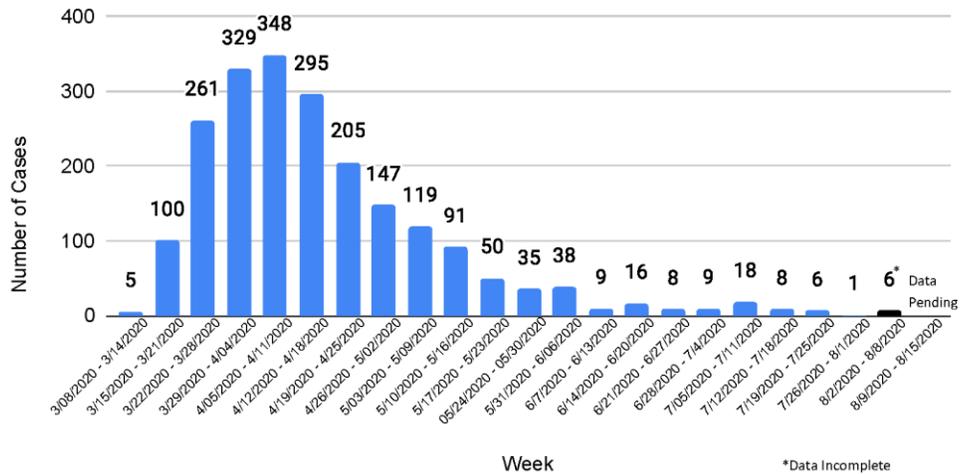

“We know many are frustrated that power has not been restored completely to Norwalk, and I share that same frustration,” Mayor Rilling said. “We continue to be in contact with Eversource to push for quicker restoration in Norwalk. I ask that you do not direct any anger at the line crews who are working really hard to bring back our power. If you do not have power and have a medical or special need, please call the American Red Cross at 877-287-3327.”

Members of the public are encouraged to sign-up for the City’s CodeRED Emergency Alert Notification System at [norwalkct.org/codered](http://norwalkct.org/codered). Updates on City services, hours, and community resources will be routinely published at [norwalkct.org/citynews](http://norwalkct.org/citynews). The latest health updates can be found at [norwalkct.org/coronavirus](http://norwalkct.org/coronavirus).
