INTERMEDIATE ACTIVITY
APPLICATION FORM

Permit # #S21-578 Filing Fee \$600.00
 Date of Submission 7/13/2021 Date of Acceptance 7/27/2021

1. NAME OF OWNER: City of NORWALK

2. ADDRESS OF OWNER:
125 East Ave Phone: 203.854.7902
NORWALK - CT Other Phone or Fax: _____
06851

3. NAME OF APPLICANT: City of NORWALK - VANESSA VAHDALES
 (If applicant is not owner of property)

4. ADDRESS OF APPLICANT:
125 East Avenue, Room 225 Phone: _____
Norwalk, CT 06851 Other Phone or Fax: _____

5. Applicant interest in property: _____

6. PROPERTY ADDRESS: N/A

7. Assessor's Map: N/A Taxing District: N/A Block: N/A Tax Lot: N/A

8. Purpose and description of proposed activity: Frequent flooding has been reported in roadways and on private properties in the Dreamy Hollow neighborhood of Norwalk, CT. The purpose of the proposed project is to mitigate flooding in the effected area by improving the existing stormwater drainage system. Proposed activities include improving existing trunk lines and outlets.

9. Present use of property in area of proposed activity: Residential

10. Distance of closest disturbance to Wetlands/Watercourses: Work to take place within wetlands/watercourses

11. Wetland/ Watercourse area altered, if any (must be in acres or linear feet) Wetland = 0.008 ac
Watercourse = 0.017 ac, 65 LF

12. Upland Review Area altered (must be in acres) 0.246 ac

13. Description & Name of Watercourse/Wetland: See attached Wetland Assessment (Davison Environmental, LLC)

14. Site acreage: 2.54 ac Wetland acreage: 0.008 ac Linear feet of watercourse: 65 LF

15. Is the property within 500 feet of a City boundary? NO YES* _____

*If the answer is yes, then the applicant is responsible for notifying the appropriate adjoining community's Inland Wetlands Department on the day of submission. Instructions for notification are available at the Conservation Office.

16. The applicant shall provide **ten (10) COLLATED copies*** of the following information:

- a) The first page of this Application Form.
- b) Site plans showing items indicated on attached Map Checklist (must be folded to 9" x 12" or smaller).
- c) A narrative description of: the intended project, the alternatives considered and reasons why they were rejected, impacts to the wetland or watercourse, and proposed mitigation measures. Alternatives must also be shown on a site plan.
- d) Sequence of construction with proposed completion date or timetable.
- e) If excavation is involved, estimate the amount (cubic yards) of material to be excavated and the specific destination of any fill to be used on site or removed from the site.
- f) Estimate the cubic yards of fill to be deposited on the site.

*Reports greater than four (4) pages in length must be **double-sided**.

17. Submit **one (1) copy** of the following information:

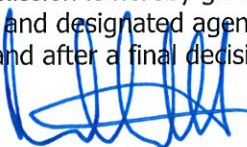

- a) One original, signed copy of this application form.
- b) Written consent of owner, if the applicant is not the owner of the property.
- c) Copy of the deed of property.
- d) Submission of the filing fee of \$ _____
- e) If required, final DEP and Army Corps of Engineering approvals.
- f) A list of all abutting and directly across the street property owners including name, address, and district, block and lot.
(Go to <http://host.cdmsmithgis.com/norwalkct/>, type in your street number and name, then select 'Get Abutters' on the pop-up window.)

See Section 60A-7 of the Norwalk Inland Wetland and Watercourses Regulations of the City of Norwalk for a more detailed description of the application requirements.

The owner, applicant, or contractor is strongly encouraged to attend the meeting at which the application is received. No revisions may be made to the application following its submission prior to the meeting at which it is scheduled to be received, except when the application materials are not complete.

By signing this application, the applicant or his/her agent certifies that he is familiar with the information provided in this application and is aware of the penalties for obtaining a permit through deception or by submission of inaccurate or misleading information.

By signing this application, permission is hereby given to necessary and proper inspection of the subject property by the Commissioners and designated agents of the Commission or consultants to the Commission, at reasonable times, both before and after a final decision has been rendered.

Applicant's Signature :  **DATE:** 07/13/2021

Agent's Signature : _____ **DATE:** _____
(If agent for applicant, provide agent's name, address, & phone below)

MAP CHECKLIST

- 1. MAPS:** All maps must be drawn to scale and should be at 1"=40' or larger. Provide **10 copies** of plans with the following information:
- a. ___ Location map of property (a street map superimposed onto corner of base map).
 - b. ___ Entire property outline, as shown on Tax Assessor's map, with north arrow and scale.
 - c. ___ Existing and proposed contour lines at 2 foot intervals and existing and proposed conditions in relation to wetlands and watercourses and any further activities which may have an impact on wetlands and watercourses.
 - d. ___ Depict all wetlands and watercourses on property as they exist on the site and on adjacent neighboring properties. **Include wetland soils report and field sketch by Certified Soil Scientist.** Wetland flag numbers must coordinate with those in the field and as shown on the site plan.
 - e. ___ Depict all upland review areas on the property (fifty (50) feet from any wetland & one hundred (100) from any watercourse).
 - f. ___ Indicate floodway and 100-year floodplain lines, if applicable.
 - g. ___ Include watershed information and storm drainage calculations, if pertinent.
 - h. ___ Indicate on map closest distance of **disturbance** from wetland/watercourse.
 - i. ___ Location of all significant physical features, such as rock ledges, stone walls, vegetation, trees over 8" diameter nearest the wetland or watercourse. The trees to be removed/affected must be clearly marked on the site plan and flagged in the field.
 - j. ___ Identify vegetation that would be affected by proposal. Include a landscape plan.
 - k. ___ Proposed building site and/or location of any other improvements, such as septic tank, leaching fields, utility lines, proposed fill or excavation areas, tennis court, pool, deck, landscaping and lawn areas.
 - l. ___ Septic system: test pit locations, percolation test results, and Health Dept. approval.
 - m. ___ Location of access routes any machinery will take to reach all areas of activity. Specify types of machinery.
 - n. ___ Sedimentation and erosion controls to stabilize site during and after construction. Provisions for any increase in runoff. Include measures to: prevent pollution or other environmental damage, enhance existing environmental quality, restore, enhance and/or create productive wetland or watercourse resources.
 - o. ___ Name and signature of the individual who prepared map. Indicate date that map was prepared. Include professional seal with date that map/revisions were prepared.

2. FIELD WORK

- a. ___ Flag wetland boundaries and trees to be removed/affected.
- b. ___ Stake for identification: property lines, driveway & building corners.
