All dogs six months and older must be licensed and wear a collar and tag at all times. A dog without a tag is presumed to be unlicensed and is not protected by law. A tag must not be used on any dog other than the dog described in the license bearing the corresponding number. You are liable for damage done by your dog. Owners of roaming dogs are liable to prosecution.

When a spayed or neutered dog is licensed for the first time, a certificate of neutering or spaying from a licensed veterinarian must be presented. All dogs must be vaccinated against rabies and owners must submit a rabies certificate to the Town Clerk when licensing their dog.
