TUESDAY NIGHT OPEN JAM

Mission Statement: The Tuesday Night Open Jam provides a live showcase which supports and nurtures musicians of all levels, brings the community together, and promotes the arts in one of Norwalk's beautiful public parks.

The Summer 2019 Tuesday Night Open Jam in Freese Park will begin on June 25th and wrap up on August 27th. This will be our 7th consecutive summer in Freese Park. This Norwalk Recreation and Parks-sponsored open mic night runs every Tuesday throughout the summer from 7:00-10:00, and is weather dependent. Cancellation info will be available by 3:00 on Tuesdays by calling the city's cancellation line at 203 854-7938.

The Tuesday Night Open Jam brings musicians from a 50-mile radius who come every week and exhibit their talents with some of the area's best players. Musicians of all levels are welcome, and the vibrant local music scene is well-represented at this weekly gathering of the musical community for an evening of camaraderie and lively, professional quality music. Musicians and spectators alike will find a fun, warm and exciting crowd of 100-200 people every Tuesday. Signup sheet for musicians is available at 6:30. We provide a full backline including keyboards, drums, mics and amps. Full bands and single players/singers alike are welcome.

All are encouraged to bring a lawn chair or blanket. Food trucks and local restaurants are located nearby. Please note: Dogs and glass containers are not allowed in Freese Park. Contact the Tuesday Night Open Jam via our Facebook group www.Facebook.com/groups/TNOJ1. Come Out And Play! Sponsored by the Norwalk Recreation & Parks Department and our local business community.

COMMUNITY MUSIC SINCE 2012

TURNING IRVING FREESE
PARK INTO A CONCERT HALL
EVERY SUMMER SINCE 2013

SPRING 2019

The Tuesday Night Open Jam has been a fixture in the Norwalk music scene since 2012. We have brought our inclusive community of musicians to a variety of local venues, but our favorite and most successful location to play has been in Irving Freese Park (1 Main Street, Norwalk CT) during the past six summers.

Every Tuesday night from June 'til September we gather in Freese Park between 7:00 and 10:00 PM and provide a free concert with the opportunity for area musicians of all skill levels to get up on stage and showcase their talents. Spectators can bring a chair or blanket, bring a picnic from home or patronize one of the local restaurants, and enjoy the show.

In past years we have been fully sponsored by the City of Norwalk Recreation and Parks Department, whose great staff clean the park, and provide a stage and porta-johns. Due to recent budgetary constraints, the Recs and Parks Dept. is only able to fund a portion of this wonderful summer concert series, so we are seeking sponsors to make up the difference so we can continue this fantastic weekly night of live music.

The benefits of the TNOJ are many:

- **Promotes the arts** in downtown Norwalk
- **Brings the Norwalk community together** for a free, fun concert event
- **Makes great use of one of our city parks**, enhancing the redevelopment plan
- **Provides a free weekly 3-hour concert** featuring the best area musicians
- **Provides a nurturing environment** for musicians of all skill levels

WE NEED YOUR HELP!

To continue this fantastic program in 2019 we need to raise additional funds. We are reaching out to the Norwalk community to help us, while we also help you! We are currently seeking sponsors who will donate some money in return for advertising.
